

## **Selbsthelfer-Verein (society of self-help) From refugees to refugees**

Construction project in \_\_\_\_\_

We are searching for male refugees willing to create HOFFER together with us. These HOFFER are boxes to store personal things (books, dress, hygiene items, shoes etc. – like in a suitcase, in German "Koffer") and to use it as a stool (in German "Hocker"). The HOFFER are built from used cardboards. We will not do this for ourselves but to help other refugees who have to live in the big mass accommodations. There they have no locker for their things and no chairs. - We meet once a week.

First meeting: \_\_\_\_\_ in \_\_\_\_\_

Come and join us - we need your help! And we are looking forward to get to know you!
